

Alabar Hills Neighborhood Survey Report

Prepared by Quinton Clay

This survey was designed to help R.H. Miracle Central learn more about the Alabar Hills neighborhood in Waterloo, Iowa. It is our hope that the results will help Alabar Hills residents learn about the neighborhood as a whole, and also open opportunities for dialogue and community engagement. Access to the survey was delivered to Alabar Hills residents through the United States Postal Service September 13-22, 2017. Thirteen residences participated in the survey and the results were delivered directly to the survey facilitator. If you have questions, please do not hesitate to contact Quinton Clay or Dean Pauline Hoffmann.
